

How to Find Your Store Code on Google My Business

Even though store codes aren't visible to the public, it can be an important way to distinguish profiles for your records. There are two ways to view your store code from your profile.

First, you can view it on the Manage Locations page:

<input type="checkbox"/>	129	WPHPA Yorktown Heights 3379 Crompond Road, Yorktown Heights, NY 10598	Verified (1 update)	Review updates	

You can also view your store code in your profile. To get there, log into your GMB profile and click on the "Info" tab.
